

Seneca Hill Tennis Club welcomes new members. The membership fees are very low in order to ensure quality tennis is available to the entire community. There is no initiation fee and you can enjoy six months of tennis at a very affordable cost!

Seneca Hill Tennis Club is not a private club, but is a community-based, volunteer-run, non-profit tennis club that has provided quality tennis facilities and programs for its members for over 45 years. The Club does not receive any direct funding from the City, and in fact pays a permit fee to the City to operate every year. Our operations are funded solely by membership fees, and therefore the use of the tennis courts is primarily for the use of Club members and guests. However, the Club does provide a time period for members of our community who cannot afford the low membership fee - Saturdays and Sundays between 2:00 pm to 5:00 pm. These are deemed public hours.

Playing tennis is a wonderful way to meet new friends and neighbours, and is an excellent sporting activity for those wanting to improve their fitness. If you are looking for an affordable, accessible and friendly tennis environment, then becoming a member of Seneca Hill Tennis Club is an excellent choice for you!!

MEMBERSHIP INCLUDES:

- Four hard courts
- Lights for night play
